## Lyndsay Gabriel

The Village of Muenster welcomes acclaimed councillor, Lyndsay Gabriel, following the close of nominations on May 20, 2021.

Council regularly sits the third Tuesday of each month.

## Paperless Billing

Get your monthly utility notices and receipts via Email. Contact the Village Office, fill out a consent form, and give us your Email address. Electronic notices save the village substantial costs of printing, invoice forms, envelopes, and postage.

**Please note:** SaskTel scams have been prevalent in the last six months. As a result, the Village of Muenster will be sending utility bills via the email address [Muenster2794@gmail.com](mailto:Muenster2794@gmail.com) Please add this to your contact lists to avoid your utility bills ending up in your spam folder.

Residents are responsible for bills on a monthly basis. Failure to receive an emailed municipality utility notice does not release the resident from their responsibility to pay any charges specified on the notice, or any penalties that may be incurred by late payments.

## Payment Options

There are a number of utility and tax payments options that we offer:

- Auto Debit (Automated Fund Transfer) \*
- Internet Banking through any Credit Union or CIBC \*
- Cash or Cheque by mail, in person, or by the drop-off chute available 24/7 (we encourage residents to use to avoid late payments).
- Etransfer for Taxes ONLY. Name and tax payment noted in transaction.

**\*Note: allow 3-5 business days to avoid interest charges**

Thanks to Danwheels for outsourcing a new 2021 Kubota tractor with attachments. You will see Jason out-and-about doing maintenance work in the new orange tractor. Don't hesitate to give him a friendly wave.

## Cutting Grass

Welcome to Adam Korte, this year's Summer Student. Adam will be starting on June 28 and working until the end of August assisting in the maintenance around the Village of Muenster. Adam brings an eagerness to contribute to helping out the village any way he can, too, benefit the community.

## Taphorn Street

North of the highway, the gravel road that runs past Chadly's Autobody towards Danwheels is an extension of Taphorn Street.

To further clarify, residents of Taphorn Street on the west end of Muenster are the 100 and 200 blocks. On the northside of the highway, Chadly's is on the 500

Marvin Renneberg is also assisting with some of the work.

## School's Out

Thank you to all students and teachers for your hard work during COVID. Have a GREAT summer!!!

## Summer Driver Caution

Watch out for kids now that schools out.

- **Before backing up**, double-check and maybe even take a walk around the car.
- **Drive with your headlights on**, even during the day, so that children can see you.
- **Watch your speed** and be extra careful around areas where kids hang out.
- **Scan between parked cars** and other objects for indications that children are at play in the area (eg. balls and bikes).
- **Be careful** going around corners in neighborhoods, in case a kid comes darting out of a yard.
- **Make eye contact with children** who are about to cross the street and watch for their next step.

## High School Graduation

Congratulations to the Muenster Graduating Class of 2021.

Wherever the road takes you, may you always remember that it leads you back home.

## Muenster School "Rocks"

Thank you to the students and teachers of Muenster School for helping to "rock" the community. The colourful, painted rocks placed around town help to remind us to be positive and to treat each other with kindness.
