**What Community Project Will These Funds Go Towards? [Min 200 words, Max 600 words.]**

*"The GREAT 8" \$5000 award will go to a community with an exceptional community project that can clearly explain its positive community impact. Describe your project goals and achievements, provide the specific planning, training, goals, and steps taken to make the accomplishment successful. Below are some questions to help brainstorm how to describe your community project's impact. Your description must be a minimum of 200 words but not more than 600 words."*

- *What community service projects or events mean the most to your community?*
- *What is the driving force behind your community service project?*
- *What made you decide to volunteer where you did?*
- *How has your Muenster community service project changed you?*
- *How has your Muenster community service project helped others?*
- *How has your Muenster community service project affected your plans for the future?*
- *How might your community service project affect other Muenster community groups' plans for the future?*
